

EDUCATION AND SCHOLASTIC ACHIEVEMENTS

Program	Institute	% / CGPA	Year
B.Tech in Civil Engineering	Indian Institute of Technology, Madras	8.01	2027
Class XII (CBSE)	Dheeran Chinnamalai School	90.2%	2023
Class X (CBSE)	Dheeran Chinnamalai School	93.8%	2021

- Awarded prestigious **Ram Shriram Scholarship** worth **₹1.5 Lakh** by IIT Madras for consistent academic scholastic excellence through college
- **Gold Medalist** at School Level, SOF Maths & Science Olympiad, recognized for Performance Excellence across **99K+** schools in **72 countries**

PROFESSIONAL EXPERIENCE

Product Manager Intern Desk365 (PPO Received) <i>(May'26 - July'26)</i>	Drove product initiatives across 3 workflows, converting insights from 25+ users into scalable solutions serving 7000+ orgs • Shipped Audit Logs from PRD to launch after 12 user interviews, cutting issue-tracing time by 35% (tracked via SQL) • Scoped Multi-Portal ticketing with 8 client orgs via JTBD and RICE, driving 18% adoption across enterprise accounts • Redesigned 33 empty states with guided next steps for new admins, cutting 'how to start' support tickets by 20% • Collaborated with Engineering, Design and QA across 4 releases to prioritize features and ensure quality launches
Founder's Office VisualKit <i>(Nov'25-Jan'26)</i>	• Partnered with founders over 6 agile sprints, owning roadmap and PRDs for AI thumbnail tool used by 2K+ creators • Analysed 13 finance & tech creator channels to build 25+ LLM prompts & templates, lifting thumbnail CTR by 20% • Ran 7 creator campaigns driving 10K+ visits; fixed signup funnel drop-offs, raising the visit-to-signup from 3% to 5%
UI/UX Intern Hextasy.in <i>(May'25 - July'25)</i>	• Redesigned ~7 web pages in Figma, improving information hierarchy, navigation & overall UX across user journeys • Analyzed 15+ interfaces, identifying usability gaps & translating findings into actionable UI improvements for users • Designed 20+ posters, banner & social media creatives for digital campaigns & 3 offline events, consistent branding

PRODUCT & CASE COMPETITIONS

Flipkart Minds in Motion <i>National Winner</i>	2nd Runner-up, 1000+ teams: Reimagined Flipkart's Gen Z strategy through 3-lever AI ecosystem, prioritising 15+ features • Architected a 3-lever commerce system integrating creator-led shopping, AI discovery and community mechanism • Prioritised 15+ features across a 3-phase GTM⁹ strategy, defining North Star metrics, KPIs and product trade-offs
Olympus - IIMC¹ <i>National Finalist</i>	• Top 10 National Finalist among 2500+ teams: Reimagined McDonald's × ArchiQ with an evidence-gated AI strategy • Built an 85% ZTOR⁸ scale gate linking ROI to capital discipline, with a <3-second human fallback for critical failures
Chanakyaaneeti <i>National Finalist</i>	• Top 5 National Finalist, 500+ teams: Developed an EV market-entry strategy via market sizing & consumer analysis • Designed a dual-track GTM⁹ strategy with localization, partnerships & 3-year roadmap for successful market entry
Accenture IC² '26 <i>Campus Finalist</i>	• Led team to Campus Finalist at IIT Madras among 5K+ teams with PatientTriage.ai, a human-in-loop AI triage tool • Built explainable ML risk-scoring MVP with time-to-care North Star, projecting 22% faster care & 28% lower LWBS³

PROJECTS

Valmo RTO Optimization	Diagnosed Valmo's ₹2,567 Cr COD-RTO cost pool via 3 hub visits, 35 buyer surveys and 3000 app reviews across 2 city tiers • Scored 10 root-cause hypotheses on a 6-factor weighted model, killing 1 with field data to prioritize RTO recovery • Designed a reason-led recovery flow & 30-day A/B pilot with guardrails; each 1% RTO cut saves ~₹160 Cr per year
Urban Company Repeat-Job Leakage	Tackled repeat-job leakage draining ~₹300 Cr GMV a year at Urban Company, via 25+ customer and 12 partner interviews • Found 40% of repeat jobs went off-app, led by AC and cleaning, due to no same-pro rebook and repeat commission • Designed ProLoop: same-pro rebook, on-app warranty & tiered repeat commission, breaking even at 25% leakage
Netflix Viewership Analytics	Analysed 9,780 Netflix viewing records to find what drives churn and engagement across 24 titles, 5 regions and 4 devices • Pinpointed ep-2 as the top churn point with 38% drop-off, using SQL cohort analysis with CTEs & window functions • Built Tableau KPI dashboard with 4 drill-downs, finding mobile drives 41% of watch time, backing mobile-first push
Billing Software <i>Full-Stack Billing & Payroll Platform</i>	Led end-to-end billing and payroll product development, streamlining 3+ workflows across invoicing, payroll and reporting • Identified 10+ pain points across billing workflows, translating insights into requirements, journeys and priorities • Defined and prioritized 15+ features across invoicing, payroll and reporting, improving workflow efficiency by 30%

POSITIONS OF RESPONSIBILITY

Creatives and Design Shastra	Core <i>(Mar'25 - Feb'26)</i>	Shastra: India's largest student-run technical fest with 50k+ footfall & only one of its kind to be ISO⁴ 9001:2015 certified • Spearheaded 4-tiered team of 80+ students to effectively organize the annual technical fest of IIT Madras Shastra • Managed 5L+ budget dedicated for procuring media equipment & executing large-scale creative ambience projects • Trained 40+ coordinators in design and video editing using Illustrator, Canva, Figma, Davinci and Premiere Pro tools
	Head <i>(Jun'24 - Mar'25)</i>	• Spearheaded a 20+ member team to design and launch Shastra 2025's official merch, generating ₹12L+ revenue • Ideated & designed 30+ posters along with an immersive visual background for the official Shastra 2025 website • Designed promotional materials using Illustrator & Figma, contributing 70% reach across all social media platforms
Sarang SR⁵ Coordinator <i>(Jul'24 - Mar'25)</i>		India's student-run cultural fest with 80,000+ attendees & ₹2 Cr+ budget, featuring 80+ events across music, dance & arts • Planned and executed Milans across 3 Indian regions, coordinating teams and engaging 600+ students nationwide • 400+ Student Representatives recruited through Imprints, expanding school outreach and marketing campaigns
